

4th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences Between Myanmar and China (SSCOE-2020)

April 5-6, 2021

Call For Papers (Foreign Researchers)

We are cordially invited to submit your abstract, full paper and poster for the “4th International Conference on Substantial Scientific Collaboration of Ocean and Earth Science between Myanmar and China” to be held in Myeik University, Myeik, Myanmar on April 5 - 6, 2021. This is an exceptional platform for researchers, academics, students, innovators, scientists and industry practitioners to discuss current research, which is shaping a new world society.

Important Dates:

Description	Dates
Conferences dates	5 th and 6 th April, 2021
Last date to submit abstract	1 st February, 2021
Last date of submission modified artical	1 st March , 2021

Title of Article: Should be precise, brief & should not exceed 20 words.

Article: An article should preferably be an original research or a review article.

Abstract: An abstract is essentially the summary of article.

Submission guidelines for Abstracts / Articles

All abstracts / articles must be submitted in electronic format (Word) using Times New Roman. The official conference language is English.

The length of the abstract must not be more than 300 words and it should be single-spaced. The body of abstract should contain introduction, objective, methods, results, and conclusions. It may also include possible implications of the research.

Articles should not exceed 5000 words (including cover page, abstract, text, references, tables, and figures). A single line should separate paragraphs; no indentation should be used. Please follow Vancouver style for referencing.

Format for Abstract / Article submission

Specify at the top of the document if it is an article or an abstract.
