Conference Venue

The 6th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences between Myanmar and china (SSCOE 2023) will be held at Myeik University, Tanintharyi Region, Myanmar.

Access & Local Transportation

You can book an airline ticket with Myanmar Travel Agent, myanmarcoltd@gmail.com, 09983393407, 09267508665. Taxis will be available at fixed times every day for the transportation of participants from the airport to the Myeik University campus. (The organizing committee will provide for **MoE approval** for teachers in Universities in Myanmar to travel.)

Accommodation

The organizing committee arranges lodging for each researcher.

Oral Presentations

Regular oral presentations are limited to 10+5 minutes, and keynote talks to 20+5 minutes. Slides should be prepared in MS PowerPoint (.ppt, .pptx) or pdf formats and delivered to the organisers during on-site registration.

Computers and projectors

All rooms are equipped with a computer and projector. We recommend that you bring your presentation as a PDF or Power Point file on a memory stick and that you copy it onto the desktop of the computer in your session room in advance, during the preceding coffee or lunch break, at least 10 minutes before the whole session starts. There will be student assistants who will help you if necessary.

Please avoid using your own computer. Shall this be necessary, make sure to bring a HDMI connection for the projector and, more importantly, if you are using an Apple computer, the necessary adaptor, as only a limited number of these will be available on demand. If you do not have one, please notify the student assistants in advance.
